## Thanksgiving

Thanksgiving is a time to remember the blessings of yesterday, enjoy the blessings of today and cherish the promises of all of our tomorrows.

Thanksgiving is a season of the heart. Some celebrate every day with thanksgiving; some remember to be thankful only on this special day.

To those who have heavy hearts, Thanksgiving seems a paradox. It is a soul-searching holiday and may be difficult to find anything to be thankful for.

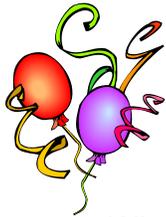

But everyone bears a private heartache, whether large or small, and with a few moments of contemplation, one finds there are many, many things to be thankful for. Thanksgiving is a special time. It is a time of sharing. We share heartaches, we share joys, we share blessings and forever. We share memories.

We pause at this Thanksgiving time and we give thanks for family and friends, shelter and food, faith and love and joy and peace in our land.

Have a blessed Thanksgiving.

## Celebrating BCCS!

What a joy it was to be able to interact with our friends at the BCCS Open House on Thursday, October 23! We were especially honored and surprised to be able to give Representative Fred Upton and Clay McCausland a tour of our office and detailed explanation of our mission. We thank everyone who made the BCCS Open House and Quilt Raffle a success! Congratulations to Judy Thompson who was able to take the quilt home. Her story of being a Cancer Survivor is told last month in our October 2014 newsletter. Congratulations to Judy and to all who bought tickets to make the quilt raffle a success. A total of \$1,800 was raised from the raffle. A special thank you to Julie Koch for the many hours she spent to lovingly hand stitch this beautiful quilt. A Special "Thank You" to Subway / The Wheaton Family for the wonderful lunch time sub sandwiches and to Michigan Pizza Hut Corp. for their generous pizza discount. You may see pictures of the Open House on our facebook page: Berrien County Cancer Service, Inc.

## **Appreciation for Falling for Quilts**

***Thank you to the Berrien Towne and Country Quilt Guild*** for their mini-quilt silent auction to benefit BCCS. Seeing over 200 quilts on display was amazing! The love and time of the local quilting artisans showed through in their remarkable artwork. If you missed it this year, you will want to make sure that you are there next year!

## ***Thank You from Tara***

A special thank you for those who came to show love and support for Tara and her family at the Spaghetti Dinner Benefit on Saturday, October 18. The family appreciates your expressions of care during the difficult time. You can continue to follow Tara's story on the facebook page, "Prayers for Tara Deam".

# Lending a Helping Hand

A Niles cancer patient and his family received a helping hand this week from a local petroleum products transportation company.

Kevin, who did not want his last name used in the story, said he was diagnosed with cancer in May. Since then, he and his family have had neither the time nor the financial resources to tackle a number of projects in and around their home in downtown Niles.

“When your husband has cancer, making sure he gets treated and cared for becomes your whole world,” said Kevin’s wife, Cassie. “Getting yard work done and other things just isn’t a priority. While the house is falling down around you your focus is on your husband.”

When Wolverine Pipe Line in Niles learned about Kevin’s story from the Berrien County Cancer Service – with the family’s permission – they decided to take action.

On Monday, nearly a dozen Wolverine employees spent the entire day completing a number of projects at the family’s home, including fixing a fence, replacing windows, doing yard work and installing a dehumidifier in the basement, among other things.

“I’m really grateful that they came out and helped,” Kevin said.

“Words can’t describe how grateful we are,” said Cassie. “It is such a relief to see some of this work get done and it makes you feel good to see that people care. It is inspirational.”

Wolverine Niles employee David Brooks said the company has been providing help to local people with its day of caring initiative over the past several years. Past projects include building a wheelchair ramp and deck for a Niles senior and doing a home repair project for a local person suffering from multiple sclerosis.

“We try to help people do the things that they can’t do themselves,” Brooks said. “We want to put joy in their heart, relief on their face and help rejuvenate their spirit.”

Kevin has been receiving treatment at Lakeland Hospital and additional care from the Berrien County Cancer Service, a non-profit organization that provides in-home nursing care and other supportive services to those affected by cancer or related illnesses in Southwest Michigan.

Renee Reid-Smith, BCCS community development liaison, said she too was grateful to see Wolverine help out one of the families they are assisting.

“It has given them a spirit to fight which you can’t measure,” she said.

Milano’s Pizza in Niles donated food to the family and workers Monday.

Quality Glass of Niles donated the new windows for the project.

***“We want to put joy in their heart, relief on their face and help rejuvenate their spirit.”***

## **November Thankfulness**

With November being the month of Thanksgiving, we would like to express our thankfulness for all the support and love that you, the community show to us throughout the year. Without your support in so many ways, we would not be able to impact those with cancer and related illnesses in our local community. Many of you have supported our signature fundraisers including collecting pennies (even the green paper ones) for our Pennies for Patients™ Day in May, have ridden or sponsored a rider in our annual Bike Ride, or bought quilt raffle tickets. Others have spent much time and energy by creating their own fundraiser with BCCS as the benefactor. To you, we are extremely grateful for the effort and love expended on our behalf to support our mission. Many have donated their time as volunteers or given us donations of medical supplies that can be used to help our patients and those in need. To all who have stopped by or sent a gift in the mail, we want you to know that your gift is a gift that will make a difference in someone's life. We also want to thank the dedicated nurses who travel in all kinds of weather to care for our precious patients and the staff who so diligently keep the office going and tend of all those who walk through our doors. To all of you, we are very grateful knowing that this is YOUR organization and it is because of YOU that we are able to care for those with cancer here in our community.
